

NCI Nare Point 50/50 Club Rules

The 50/50 club is designed to raise money for the Nare Point NCI Station and at the same time give each member a chance to win one of three prizes awarded in a draw made in each two monthly period.

There will be three prizes in each draw. 1st prize will be 60% of the prize fund, second prize will be 25% of the prize fund and third prize will be 15% of the prize fund.

The 50/50 club year commences on 1st July each year and runs for a period of 12 months but it is possible to join at any time during that year, in which case the subscription will be pro rata i.e £1 for every month left in that club year.

The Annual subscription fee of £12 will make you eligible for the 6 draws of the year. The draws are made on: 31st August, 31st October, 31st December, 28th February, 30th April and 30th June of each year. The prize fund will be £1 X the total number of members eligible for the draw on the last day of the month preceding the draw.

If you think this is a good scheme and would like to renew your subscription annually may we suggest you pay by standing order (form attached) and should you choose this payment method, simply complete the form using your name and initials as the payment reference and then submit it to your Bank. Alternatively you could pay direct into the 50/50 account, by cheque or by cash and we will remind you about renewal dates each year. Please do not send cash in the post

On receipt of your application form and remittance you will be allocated a draw number for all draws. We will let you know of your draw number either by e-mail, text message or phone dependant on the information you have given us.

The winning numbers and prize amount will be communicated to all members who have provided an e-mail address and will be posted on the station notice board and website. The winners will also be notified in writing accompanied with a cheque for the winning amount.

Please return your completed application form with remittance to:
